

CLAIM AMENDMENTS

1-19 (previously canceled)

20. (Currently Amended) Sports clothing for team sports that use a ball, especially soccer, rugby, handball or basketball, said sports clothing comprising an upper part and a lower part, said upper part and lower part being designed in one piece when used as intended, ~~wherein~~ said upper part is made of elastic material to fit tightly on and cover a wearer's torso, overshorts are arranged over the lower part, and ~~wherein~~ the lower part is made of elastic material ~~and is cut such that it fits~~ to fits tightly ~~round~~ along the wearer's thighs.

21. (Previously Presented) The sports clothing as claimed in claim 20, characterized in that the overshorts are sewn onto the lower part at the site where upper part and lower part are sewn together.

22. (Previously Presented) The sports clothing as claimed in claim 21, characterized in that upper part and lower part are sewn together.

23. (Previously Presented) The sports clothing as claimed in claim 22, characterized in that upper part, lower part and overshorts are connected to one another by a single seam.
24. (Previously Presented) The sports clothing as claimed in claim 22, characterized in that the seam connecting upper part and lower part runs all the way round the hip region.
25. (Previously Presented) The sports clothing as claimed in claim 20, characterized in that upper part and lower part are connected to one another by a zipper fastener.
26. (Previously Presented) The sports clothing as claimed in claim 20, characterized in that upper part and lower part are connected to one another by a hook and loop fastener.
27. (Previously Presented) The sports clothing as claimed in claim 20, characterized in that upper part and lower part are connected to one another by a lace fastener.
28. (Previously Presented) The sports clothing as claimed in claim 20, characterized in that an elastic band is

arranged in the connecting area between upper part and lower part.

29. (Previously Presented) The sports clothing as claimed in claim 20, characterized in that the upper part has at least one fastener, in particular a zipper fastener, a hook and loop fastener or a lace fastener, for opening the neck passage.
30. (Previously Presented) The sports clothing as claimed in claim 29, characterized in that the at least one fastener runs in the shoulder region or along the backbone.
31. (Previously Presented) The sports clothing as claimed in claim 29, characterized by two fasteners, in particular zipper fasteners, extending outward from the neck passage across the shoulder region.
32. (Previously Presented) The sports clothing as claimed in claim 20, characterized in that an elastic band is arranged in the neck region.
33. (canceled)

34. (Previously Presented) The sports clothing as claimed in claim 20, characterized in that the overshorts are longer than the lower part.
35. (Previously Presented) The sports clothing as claimed in claim 20, characterized in that upper part and/or lower part and overshorts are provided with at least one ventilation opening.
36. (Canceled)
37. (Previously Presented) The sports clothing as claimed in claim 20, characterized by a thread of highly elastic material for producing seams, in particular the seam between upper part and lower part or overshorts and the seams for forming the ventilation openings.
